Bullies are everywhere, but seventh-grader Sal knows just how to handle a difficult kid like Yasmany Robles. Obviously, you deal with a bully by opening a portal into another universe, taking a raw chicken from it, and planting it in the bully's locker. But you cannot just go opening portals into other universes without some consequences. (Science fiction)</p>
<p>Title: Tristan Strong Punches a Hole in the Sky, Book 1</p> <p>Creators: Kwame Mbalia</p> <p>Format: Kindle, Overdrive Read, Adobe EPUB</p>		<p>Chicago seventh grader Tristan Strong travels to Alke, where African American folk characters are gods. Tristan has just lost his first boxing match. It's unsurprising, given he's mourning the death of his best friend, Eddie, and struggling with accompanying survivor guilt, but unacceptable for someone from a boxing family. On the ride to summer exile with his grandparents in the Alabama countryside, Tristan begins reading Eddie's story journal. Somehow, the journal allows Tristan to see folk heroes John Henry and Brer Rabbit sending an unseen someone off on a mission. (Fantasy)</p>
<p>Title: Restart</p> <p>Creators: Gordon Korman</p> <p>Format: Kindle, Overdrive Read, Adobe EPUB</p>		<p>Will a bully always be a bully?
